

## REMARKS

With the entry of the amendments above, claims 4, 5 and 7-11 will be pending in this application. Applicants have amended the specification by inserting headings as appropriate and by revising the abstract to a form more conventional in this country. Applicants have also amended the claims to remove terminology not customary in this country and to improve the claim language. Because the amendments to claims 1-3 and 6 were extensive, applicants have replaced them with new claims 8-11, respectively. No new matter has been added, nor has the claim scope been narrowed by these amendments.

In the event that the transmittal letter is separated from this document and the Patent and Trademark Office determines that an extension and/or other relief is required, applicants petition for any required relief including extensions of time and authorize the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing Docket No. **246472006000**.

Respectfully submitted,
